

## Support Groups for Adoptive Parents

Coram Cambridgeshire Adoption hold monthly support groups for adoptive parents and approved adoptive parents who live in Cambridgeshire. The groups offer a confidential, inclusive and non-judgemental environment where parents can discuss all aspects of adoption, share valuable experiences, build connections and support each other. Some groups are run on an informal basis but there is often a discussion topic. Guest speakers who specialise in child development, medical or topical issues are regularly invited. We offer a wide range of learning opportunities and training to support individual needs.

Coram Cambridgeshire Adoption support groups have collaborated with Cambridgeshire County Council, Adoption UK, and Peterborough City Council, in order to reach parents from a wider geographical area and offer more flexibility. The groups usually run on either a Wednesday morning or evening in Cambridge, March, Huntingdon and Peterborough. There are usually two additional social events during the year, a family picnic in the summer and a Christmas party. All support groups are friendly and welcoming and open to all adoptive parents in the local area.
